

blooming Stitches

Love Sewing Pincushion

Cut 4 pieces of fabric 5" square and 2 pieces 3" square. Trace each pattern onto individual 5" squares using a washable pen or mechanical pencil. (Tape pattern and fabric to a window or use a light box.) Use a 4" embroidery hoop and DMC floss. Use two strands of floss for all stitching. Adjust color of floss if needed.

Trim stitcheries to 3" squares. Sew together in a row as shown using 1/4" seam allowance.

Attach short ends together to form a tube. Sew additional 3" squares to top and bottom to form a box. Be sure to leave an opening on the bottom piece to turn and add filling for pincushion. Add embellishments as desired along seam lines and top.
