

Sewing 105: Bowl Cozies **Beginner/Advanced Beginner**

Cooler temperatures and shorter days mean comfort food that often results in a bowl that's too hot to handle. Bowl cozies solve the problem of worrying about how to transport your food to the table or the couch and helps catch any potential spills from dripping on you. They're also great in the summer to insulate ice cream from melting too quickly or making your hands cold.

If you use 100% natural materials, you can even (carefully) use it in the microwave as well.

Prerequisite: Sewing 101 or equivalent experience.
