

Garment 216: Saguaro Set Advanced Beginner/Intermediate

The Saguaro Set is a two-piece woven set made up of elastic waistband pants and a pullover top. This is the perfect outfit for road trips through the desert, sunset walks on the beach, or dancing the night away. The pants feature roomy pockets and a waistband with a drawstring. The top has a plunging V neckline that includes an optional tie closure. You can wear the top backwards or forwards. This flowy set is easy to sew and fun to wear with endless options for customization.

Want more coverage up top? In class we will go over how to alter the top pattern by changing the neckline and drafting a facing. You will also learn how to add length to the top and decide if you want to keep the elastic band or allow it to be tucked in.

Prerequisite: Garment 201 or equivalent experience.
